Hi Bill,

Thanks, again, for allowing me to speak to the class, and for the advice. As a follow-up to today's presentation, here are helpful links for the students to check out:

[Resumes](#) - Guidelines for resumes and helpful examples

[Cover Letters](#) - Guidelines for cover letters and helpful examples

[Job Opportunities](#) - Resources and sites to find job and internship opportunities

[Regional Model](#) - Use this to learn about the 7 steps of the regional model program. Then you can get on mailing lists to be updated on jobs opportunities in CA, TX, and Washington DC

Have a great weekend!
Jared
